

Human Trafficking Awareness and Prevention Training™

Written by experts from the International Association of Human Trafficking Investigators, and brought to life by AliveTek, Inc., a leader in interactive, online course design.

Together we can stop human trafficking!

Join us in our quest to equip citizens with the knowledge they need to protect their communities and loved ones. Our online educational program uses the latest research, case studies, and survivor stories on human trafficking to help you:

-  Discover how it is hidden in plain sight
-  Identify behaviors of victims & controllers
-  Recognize the 'red flags' of human trafficking
-  Determine how to report suspicious activity

of learners agree that as a direct result of taking this course, they feel more empowered to prevent human trafficking in their communities!

of learners surveyed after taking the course WILL report human trafficking if they witness it.
